

Why is free access to Government information important?

How has our library helped you navigate U.S. Government info?

We want to share your thoughts and spread the word, and we need your help.

Share your thoughts, images, and videos, and you could be featured on the U.S. Government Publishing Office's websites and social media. Learn more and contribute at: <https://go.usa.gov/xVCNw>

The Federal Depository Library Program connects the public with their Government at over 1,100 nationwide libraries and online.
