

# GOV DOCS 101 WEBINAR SERIES

GOV DOCS 101 is a series of introductory subject webinars on frequently requested government information topics. The webinars are designed for newer depository coordinators, however anyone with an interest in the subject may attend any or all of the webinars. Each webinar provides entry level online government resources on a specific subject. Presenters provide an overview of information resources on each subject from multiple federal government agencies, the information available from each resource, as well as any tips for accessing other information on the topic. The webinars are recorded and added to the FDLP Academy Repository.
