**Growing a  
Public Presence  
through  
Collaboration**

**Department of the Treasury Press Releases**

Collection URL: <https://fraser.stlouisfed.org/title/press-releases-united-states-department-treasury-6111> | Scope of the collection: 1916-2009  
Number of items made available to the public: 452 | Collaboration partner and platform: Federal Reserve Bank of St. Louis, FRASER

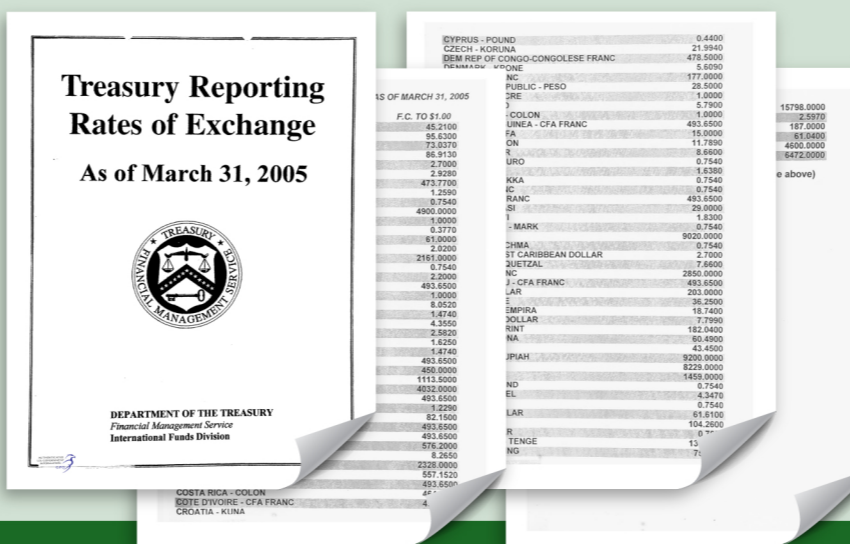

The Press Releases are a unique collection of press releases, publicity information, letters, speeches and statements of Treasury officials, and select text mentioned by the releases.

**Monthly Statement of  
Public Debt (MSPD)**

Collection URL: <https://go.usa.gov/xGGaQ> | Scope of the collection: 1869-1952  
Number of items made available to the public: 5 consolidated volumes | Collaboration partner and platform: Bureau of the Fiscal Service, Treasury Direct

The MSPD provides high-level information on the federal government's outstanding debts, holdings, and the statutory debt limit on a monthly basis.

**Treasury Reporting  
Rates of Exchange**

Collection URL: <https://go.usa.gov/xm7a3> | Scope of the collection: 1963-2005  
Number of items made available to the public: 44 | Collaboration partner and platform: Government Publishing Office, govinfo

Members of the public who have assets or interests in foreign countries frequently use these reports to complete their taxes.

**How Do I Find This Treasury Doc?**

A frequently asked question at the Treasury Library reference desk is: How do I find this collection of historical Treasury content? The Treasury Library is a small shop with a limited public presence. Over the past decade, we have collaborated with partners to identify and make accessible mission-related collections that mutually benefit the Treasury Library's research audience and those at our partner institutions. With this poster, we will share examples of partnerships that have increased access to content from three of our special collections.

**Acknowledgements:**

\* Patron calculation is per the 2019 U.S. Budget.  
\* 22 USC (2363(b)) authorizes the Secretary of the Treasury to establish exchange rates.  
**Bureau of the Fiscal Service, govinfo, and FRASER for collaborating and sharing web and metadata expertise. Privacy, Transparency, and Records, FRASER, & the Treasury Historical Association for digitization funding. Treasury's Departmental Offices Graphics for poster design.**
