

Are You One of the Top 20?

Exclusive for FORTUNE 500 Companies

Join us for an exciting announcement in October 2006, as the U.S. Environmental Protection Agency (EPA) unveils the third annual list of Best Workplaces for CommutersSM from the **FORTUNE 500** companies.

What is Best Workplaces for CommutersSM?

- ▶ A unique designation earned by companies that offer superior commuter benefits to their employees.
- ▶ Employers receive positive press coverage and public recognition from being on this exclusive list of distinguished companies.

How does your company get on this special list?

- ▶ You must be a current **FORTUNE 500** company with one or more worksites that qualify for the Best Workplaces for CommutersSM designation.
- ▶ The 20 **FORTUNE 500** companies with the greatest percentage of employees working at qualifying worksites will appear on a special ranked list.
