| 5:30 pm  | A feature-length documentary, the Linotype type casting machine was called the “eighth wonder of the world” by Thomas Edison. It revolutionized printing, communication and society. <a href="http://www.linotypefilm.com/">http://www.linotypefilm.com/</a><br><br>Reception in the GPO Bookstore With access to the reopened history exhibit 6:30 – 8 |                     |                  | Adjourn – 5:30 PM                                                   |                                |                           | Adjourn – 5:30 PM                      |                                   |                             |                       | Adjourn – 5:30 PM                                      |                       |                            |                        |
