is an opportunity and an  
obligation.”

- *President William J. Clinton*

## Welcome to the 2012 Depository Library Council Meeting and Federal Depository Library Conference

October 15 – 18, 2012

## FDLP Forecast Study: 3 Phases

## FDLP Vision and Mission

### VISION

The Federal Depository Library Program will provide Government information when and where it is needed in order to create an informed citizenry and an improved quality of life.

### MISSION

The mission of the Federal Depository Library Program is to provide for no-fee ready and permanent public access to Federal Government information, now and for future generations.

## Principles of Government Information

- The public has the right of access to government information
- Government has the obligation to disseminate and provide broad public access to its information
- Government has an obligation to guarantee the authenticity and integrity of its information
- Government has an obligation to preserve its information
- Government information created or compiled by government employees or at government expense should remain in the public domain
