Dear Depository Library Coordinator:

The U.S. Government Printing Office (GPO) has been informed by the U.S. Department of Interior, National Park Service, Alaska Regional Office, that the following publications published by the Office were distributed to depository libraries in error. The publications are for internal use only and contain information that is not intended for the public. These documents should be withdrawn from depository collections as soon as possible.

**Title:** Cultural Landscape Report, Bremner Historic District, Wrangell-St. Elias National Park and Preserve, Alaska and Appendices

**SuDoc Class:** I 29.86/4:B 75 and I 29.86/4:B 75/CORR.

**Item Number:** 0646-N-03

**Shipping List Numbers:** 2000-0303-P; 2001-0008-S (Appendices)

As Superintendent of Documents, I am instructing all libraries that received these publications through the Federal Depository Library Program to destroy the copies by the best available means. This action is required pursuant to FDLP regulation #48, *Legal Requirements and Program Regulations of the Federal Depository Library Program* (<http://www.fdlp.gov/requirements-guidance/legal-requirements>).

Please make every effort to retrieve this document from your collections and destroy these documents so that these titles are no longer available to the public.

You will be asked to confirm that you have taken this action, or indicate whether you have these documents in your collections by going to: <http://www.fdlp.gov/withdrawal>. Please respond to this withdrawal request by Thursday, October 31, 2013.

If you have specific questions about this withdrawal/recall process for documents distributed to Federal Depository Libraries, please review the article titles: *Procedures for the Withdrawal, Recall, and destruction of Depository Materials*
