

LSCM Update

Depository Library Council Meeting &
Federal Depository Library Conference
May 1, 2014

LSCM Directors

- Jane Sánchez, Director of LSCM
- Laurie B. Hall, Director of Library Technical Services
- Robin Haun-Mohamed, Director of Outreach and Support
- Anthony D. Smith, Director of Projects and Systems

LSCM at a Glance

- Administration of Four Programs:
 - Federal Depository Library Program
 - Cataloging & Indexing Program
 - International Exchange Service
 - By-Law Program

Federal Depository Library Program

- 1,177 libraries nationwide
- Online access through GPO's Federal Digital System
- Afford the public no-fee access to Federal Government information

Cataloging & Indexing Program

- Catalog a comprehensive index of public documents issued or published by the Government
- Public interface for accessing cataloging records: Catalog of U.S. Government Publications

International Exchange Service

- Distribute tangible Government publications to foreign governments in exchange for similar publications

By-Law Program

- Provide copies of publications to certain Federal agencies and others, as directed by Congress
 - 2 or more copies to the Library of Congress
 - 3 copies to NARA

LSCM Strategic Plan: FY 2014 - 2018

Vision: Create a sustainable future for the American
public's discovery and access to all U.S.
Government information

LSCM Strategic Plan: FY 2014 - 2018

- Goal 1:** Enhance the user experience
- Goal 2:** Foster program partnerships and education
- Goal 3:** Deliver first-rate tools and services
