## Digitization Efforts Planned in FY24

**Annual Reports:** A small selection of annual reports from various agencies.

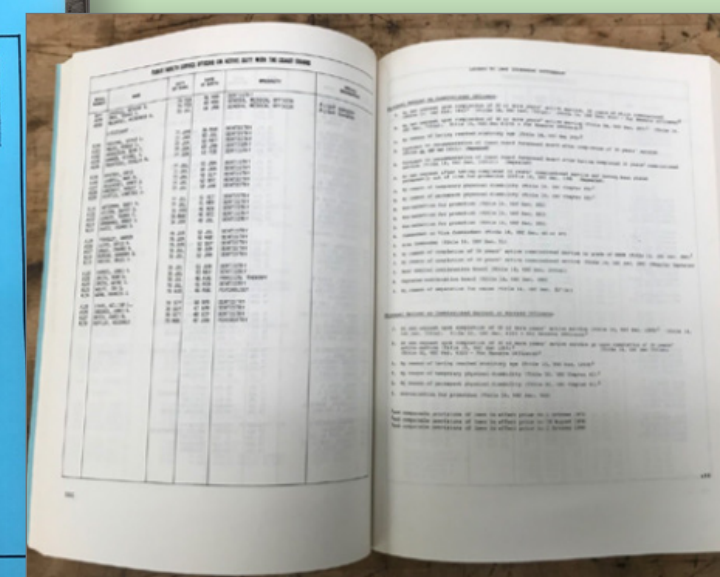

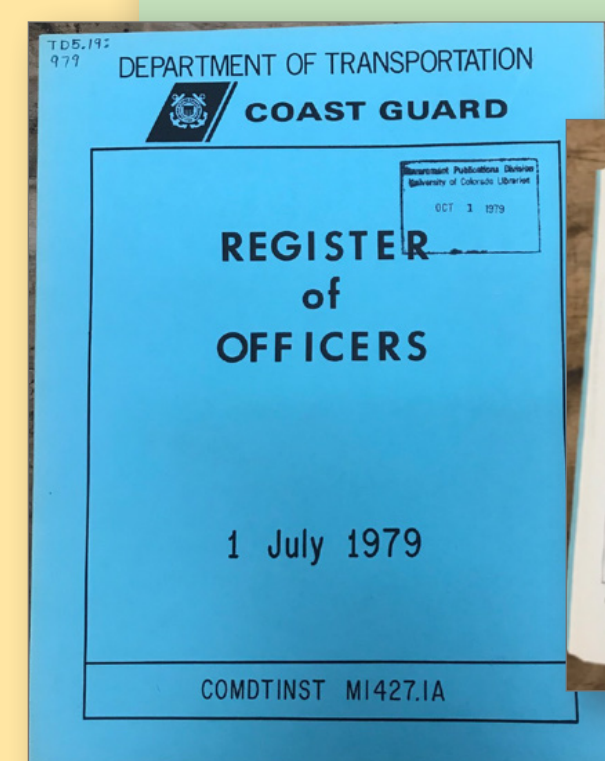

**Congressional Hearings:** A hearing is a meeting or session of a Senate, House, joint, or special committee of Congress, usually open to the public, to obtain information and opinions on proposed legislation, conduct an investigation, or evaluate/oversee the activities of a government department or the implementation of a Federal law. In addition, hearings may also be purely exploratory in nature, providing testimony and data about topics of current interest.

## Digitization Efforts Continuing into FY 24

**Congressional Serial Set:** The United States Congressional Serial Set collection was digitized by the Law Library of Congress, and is made publicly available through a partnership between the U.S. Government Publishing Office and the Law Library of Congress. The joint digitization project is a multi-year effort.

**Coast Guard Registers:** These Registers are comprised of all Coast Guard officers on the Active Duty, Inactive Duty, Reserve Component Managers, Permanent Commissioned Teaching Staff, and Band Director Promotion Lists and a listing of other officers.
