

MIXED AGENDA FOR A MIXED JURISDICTION

A SHOWCASE OF PROGRAMS AT THE UPR LAW SCHOOL LIBRARY

BIBLIOTECA DE DERECHO
Universidad de Puerto Rico

The UPR Law Library offers a diverse, year-round program to highlight the resources received through the FDLP. This includes workshops, exhibitions, conferences, and more. Below is a selection of these events for you to explore and draw inspiration from.

YEARLY CONSTITUTIONAL CELEBRATIONS

2021

2022

2023

2024

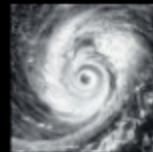

The **Anniversary of the Constitution is a major event at the UPR Law Library**. Carefully curated exhibitions are featured, often accompanied by presentations, with tours being an essential part of the celebration. Each year, we select a theme related to the Constitution—highlighting a specific article or amendment—to help everyone gain a better understanding of how the Supreme Law of the Nation functions. These events not only honor the historical significance of the Constitution but also encourage critical discussions about its evolving role in modern society, fostering a deeper engagement with constitutional principles.

THIRTY YEARS WITH FDLP

The **30th Anniversary** (1991-2021) exhibition and presentation celebrated three decades preserving Federal materials, showcasing key items received over the years, and **honoring the contributions** and support of those who made it possible.

WOMEN SUFFRAGE MOVEMENT

Despite facing a storm during preparations for the event on the Nineteenth Amendment, we successfully organized a display on the subject. The exhibition celebrated the hard-fought journey toward securing women's voting rights.

RIGHT TO BEAR ARMS

On 2023 the **Annual celebration of the Constitution** was focused on the Second Amendment—the Right to Bear Arms—prompted by recent public debate, which motivated us to showcase our materials on the subject.

The Law Library at the University of Puerto Rico is **one of five libraries** in Puerto Rico participating in the Federal Depository Library Program. While the materials are mostly in English, **Spanish is the main language in our jurisdiction**. For more information, you may visit our website <https://www.upr.edu/biblioteca-dupr/>.
