

# Regional Government Information Librarians (REGIL) Meeting

October 22, 2024  
FDL Conference 2024

# About REGIL

Regional Government Information Librarians (REGIL) was formed in 2004 to organize meetings of the regional libraries in the Federal Depository Library Program. Six volunteer members (3-year terms) convene meetings, usually to coincide with spring and fall Depository Library Council (DLC) meetings.

An archive of information (minutes, agendas, leadership) will be moving to a new location! Until then, it is available at <https://library.ndsu.edu/ir/handle/10365/28087> .

- Regional-L has already moved to a Google Group. For future REGIL documentation, we propose starting a shared Google Drive Folder (with a generic REGIL gmail address as the “owner”), and will copy all current documents into it.
- Call for any “lost” documents that we should save to this folder - please send them to us! In particular we would like any recent projects that haven’t been saved to the NDSU website, or materials from folks who may be retiring soon.
