

Planning for Reopening: FDLP Libraries Recovering from the COVID-19 Pandemic

Open Forum Questions

July 27, 2020

The following questions will be discussed during the FDLP community Open Forum on July 27, 2020. Please review them, and if you'd like, [send your feedback](#) ahead of the session for the presenters to review and possibly include in the session.

1. Aside from staffing issues, what reopening challenges have you experienced for which you haven't yet been able to find solutions?
2. Aside from staffing issues, what reopening challenges have you experienced for which you've found solutions?
3. What types of staffing challenges is your library facing?
4. What additional health and safety measures has your library implemented for reopening?
 - a. Personnel and library users
 - b. Depository shipments/collections
5. What new services or resources from GPO would you like to see to help with your new challenges?
