## Journals Indexed in ERIC

This comprehensive list of journals indexed in ERIC (from 1966 to the present) is organized alphabetically. The list provides the range of indexing and indicates any breaks in coverage (i.e., 1999-2000,2002).

Select a journal title to view the ISSN, publisher, frequency of publication, peer-review status (where available), type of coverage (comprehensive or selective), a brief description provided by *Ulrich's Periodicals Directory*, and the total number of records in ERIC (updated quarterly).

◆ Journals currently indexed in ERIC are marked with an orange diamond. The list will continue to grow as ERIC executes new publisher agreements.
