- [Literature OnLine \(LION\)](#) Includes *African-American Poetry (1750-1900)* Nearly 3,000 poems written by African-American poets in the late eighteenth and nineteenth centuries. **Campus Access Only.**

Strategies for adding Government Documents

For whatever your topic, there are
two pretty good certainties:

1. Some federal agency has collected statistics about it or created regulations on it.
2. Congress has talked about it in a report, hearing, bill, law, etc.

Senate, House and Executive Reports

Enter search terms in the space below. Phrases must be in quotation marks (" "). The operators ADJ (adjacent), AND, OR and NOT can be used, but must be in capital letters. For example: "environmental protection agency" AND superfund. Bill numbers should also be searched as phrases; for example: "H.R. 1234" for a House bill or "S. 123" for a Senate bill. Word roots can be searched using an asterisk (*) following the word stem. For example: legislat* will retrieve both legislation and legislative. [Additional instructions and examples.](#)

of 10 different randomly chosen shipping cases to be representative of a given lot, unless otherwise specified in a specific standard in this part.

(c) An *analytical unit* is the portion(s) of food taken from a subsample of a sample for the purpose of analysis.

Subpart B—Requirements for Specific Standardized Beverages

§ 165.110 Bottled water.

(a) *Identity*—(1) *Description.* Bottled water is water that is intended for human consumption and that is sealed in bottles or other containers with no added ingredients except that it may optionally contain safe and suitable antimicrobial agents. Fluoride may be optionally added within the limitations established in § 165.110(b)(4)(ii). Bottled water may be used as an ingredient in beverages (e.g., diluted juices, flavored bottled waters). It does not include those food ingredients that are declared in ingredient labeling as "water," "carbonated water," "disinfected water," "filtered water," "seltzer water," "soda water," "sparkling water," and "tonic water." The processing and bottling of bottled water shall comply with applicable regulations in part 129 of this chapter.

(2) *Nomenclature.* The name of the food is "bottled water," "drinking
