Chat

Jen Kirk -> All Participants: Good morning (afternoon), everyone!

Barbara Darrow -> All Participants: Good morning/afternoon, everyone

Kate Irwin-Smiler -> All Participants: Helloooooooo!

Jennifer Creevy -> All Participants: I love these kind of tips & tricks! I always come away with something new!

Jen Kirk -> All Participants: Absolutely! Happy to answer questions or talk about cool tools!
(jen.kirk@usu.edu)

Charlie (she-her) Amiot -> All Participants: Springshare's doesn't work!

Mark Hamilton -> All Participants: I'm sorry, is Check My Links a plug-in, an app, or website?

Emily Tock -> All Participants: This is very helpful - thanks for sharing! Springshare...

Bobby Griffith -> All Participants: Often if the page is gone, the link goes to the homepage

Susanne Caro -> All Participants: Check my links is an app

<https://chrome.google.com/webstore/detail/check-my-links/ojkcdipcgfaekbeelaapakgnjflgflf>

Mark Hamilton -> All Participants: Thank you!

Charlie (she-her) Amiot -> All Participants: It's a bit more powerful, but I like Tango for teaching videos, which are less videos and more walkthrough instructions that are auto-populated~38#x2014;and yes, even w/the free version: <https://www.tango.us/>

Kaitlyn Tanis -> All Participants: This is one of my favorite tools!

Kris Abery -> All Participants: Do you have a link to the Disaster Story map?

Susanne Caro -> All Participants: Link to the disaster map disasterexhibit.org/

Jessica Rios -> All Participants: Do you have a link to the timeline?

Mary Russell -> All Participants: Can you share the URL of the libguide where you used these?

Jen Kirk -> All Participants: LibGuide Link: <https://libguides.usu.edu/soilsurveys>

Susanne Caro -> All Participants: Utah timeline soil surveys

https://cdn.knightlab.com/libs/timeline3/latest/embed/index.html?source=1SI70njj0CJo2NwKTTbHzTsJC2CbtYYCgbNWejnnrQW0&font=Default&lang=en&initial_zoom=2&height=650

Jessica Rios -> All Participants: Thanks!

Susanne Caro -> All Participants: The timeline is embeded in this lbrary guide:
<https://libguides.usu.edu/soilsurveys>

Jen Kirk -> All Participants: Thanks, Susanne!

Jen Kirk -> All Participants: Loving this ListDiff tool! I'm definitely going to have to try it out.

Charlie (she-her) Amiot -> All Participants: Yeah, I'm sure ListDiff will be used by me in the next year!

Susanne Caro -> All Participants: This Context Menu sounds great!

Charlie (she-her) Amiot -> All Participants: Could this tool (Context Menu) be used with Google Scholar and Google Books? Because a lot of that won't pop in just Google.

Charlie (she-her) Amiot -> All Participants: This is my new best friend.

Jen Kirk -> All Participants: Kelly, pretty sure you just save me so much time!

Jen Kirk -> All Participants: *saved*

Susan Ashby -> All Participants: Thank you for sharing ListDiff. I've already made list of how I can use each of the functions. I know our tech services people are going to love it!

Kris Abery -> All Participants: context menu search looks fantastic

Devon Galena -> All Participants: Do any of the tools you've covered today keep any of the information you put into them? Or send any data of your activity using the tool elsewhere?

Charlie (she-her) Amiot -> All Participants: I wonder if Conifer can capture the NYTimes stories that are

visual reads.

Charlie (she-her) Amiot -> All Participants: Our profs keep requesting those, and there has been no good way to capture them.

Kate Irwin-Smiler -> All Participants: +1 Charlie!

Lisa Pritchard -> All Participants: Wow, it is hard to know what to try first. Thank you so much for sharing these tools and how you use them.

Kris Abery -> All Participants: Excellent presentation.

Charlie (she-her) Amiot -> All Participants: I'M SO EXCITED!

Elizabeth Williams -> All Participants: Does your IT dept. let you download all these extensions. I can't imagine mine will.

Kristina Claunch -> All Participants: This is fascinating!

Bernadette Johnson -> All Participants: This was a very informative session! Thank you so much!

Charlie (she-her) Amiot -> All Participants: @Elizabeth, they don't block us having Chrome, and as long as we don't use the .edu for our Chrome account, we can install whatever. I just keep a professional Google account.

Bobby Griffith -> All Participants: From now on I will be using Context Menu Searcher--that looks like a huge timesaver

Devon Galena -> All Participants: Thanks!

Charlie (she-her) Amiot -> All Participants: I came prepared to share! Disclaimer: I'm an academic law librarian.

Charlie (she-her) Amiot -> All Participants: Legibll Chrome Plug-in for Law Librarians:

<https://chrome.google.com/webstore/detail/legibll/folkioehaofcojkmnddjadehghecfha> Dualless for Chrome, to create split screens (handy for Mac users):

<https://chrome.google.com/webstore/detail/dualless/bgdpkilkheacbbfppjgceiplijhfpd?hl=en-GB> GoFullPage for Chrome, PDF screenshots; revolutionary for me:

<https://chrome.google.com/webstore/detail/gofullpage-full-page-scre/fdpohaocaechifimbbbbbknoclcl?hl=en> Video Speed Controller for Chrome; let's you adjust most web video in 0.1 speed increments, SO much time saved:

<https://chrome.google.com/webstore/detail/video-speed-controller/nffaoalbilbmmfngbnbgppjihopabppdk?hl=en> Mailing lists are also tools, Data Is Plural is a

weekly newsletter of useful/curious datasets, great GovInfo in them. <https://www.data-is-plural.com/>

Kate Irwin-Smiler -> All Participants: !!!!

Kelly Smith -> All Participants: Thanks so much for those resources, Charlie! And I LOVE data is plural!

Amanda Ros -> All Participants: library extension allows you to link your library catalog(s) to see if something you search in amazon is available in your library

Charlie (she-her) Amiot -> All Participants: I've been collecting for a few months now, SO excited to add today's as well.

Kris Abery -> All Participants: Thanks Charlie

Charlie (she-her) Amiot -> All Participants: These have all been saving me HOURS and HOURS

Charlie (she-her) Amiot -> All Participants: +1 to Amanda's library extension.

Sarah Dobransky -> All Participants: Subscribed! Thank you @Charlie

Linda Musser -> All Participants: "Print Friendly & PDF"

Kelly Smith -> All Participants: <https://ucsd.libguides.com/usgov/stats>

Charlie (she-her) Amiot -> All Participants: This presentation has been so good that I forgot I had tea and now it's gone all cold! Stellar presentation.

Lisa Pritchard -> All Participants: Super cool, Kelly!

Kelly Smith -> All Participants: Thanks Linda!

Lisa Pritchard -> All Participants: Wow, our students need that one.

Kristina Claunch -> All Participants: Are there links for library extension and Print Friendly & PDF?

Lisa Pritchard -> All Participants: Thank you.

Leslie Cunningham -> All Participants: Thanks, all! Great presentation

Ran Raider -> All Participants: Thank you!

Sheila Dorsey -> All Participants: Fantastic tips. Thank you!

Lori Driver -> All Participants: Thank you!!

Jose Torres -> All Participants: Great resources!

Linda Musser -> All Participants: Print Friendly&PDF is a Chrome extension

Ashley Dahlen -> All Participants: Correct - the chat and the transcript will be in the archive

Kris Abery -> All Participants: This was a really useful session.

Carolyn Ottoson -> All Participants: thank you!

Kristina Claunch -> All Participants: Excellent job!

Mark Hamilton -> All Participants: These look like great tools! Thank you all!

Debora Jarrell -> All Participants: URL to the Library Extension?

Debora Jarrell -> All Participants: Thank you so much! Love these tips!

Charlie (she-her) Amiot -> All Participants: Oh, h/t to AALL's Know-It-All Newsletter where I've harvested a lot of these from.

Amanda Ros -> All Participants: <https://chrome.google.com/webstore/detail/library-extension/chkgcmmjoejpekoegkedcpifgfhpjmec?hl=en>

Kristina Claunch -> All Participants: Thanks Amanda!
