+1 Scott - great question

from Laura Gricius-West to everyone:

Are you using ISBD punctuation in these records?

from Kathy Bayer to everyone:

Hi Scott, yes, the records will be made available through the CRDP. After records are added to the CGP, MARCIVE will distribute them to selecting libraries during the next month. Info about cataloging projects now needs some updates after today's presentation, but please see

from Jim Noel to everyone:

Scott, since the records for Bills and Resolutions won't have item numbers, you'll have to work with me if you want them included in your monthly CRDP batches.

from Andie Craley to everyone:

Thanks Kathy and Jim for repies :)

from Laura Gricius-West to everyone:

So no item records? Hmmm, I may need to work on this ...

from Scott Briggs to everyone:

Thanks for the responses.

from Laura Gricius-West to everyone:
Item numbers, sorry for typo

from Jose Torres to everyone:
Thanks

from Stephen Kharfen to everyone:
Thank you very much!

from Tim Lozier to everyone:
How can I see the alternate session upcoming?

from Ashley Dahlen to everyone:
Tim - each session is being recorded and will be made available for later viewing. Temporary links will go up in the event site, likely tomorrow. And we'll get the permanent recordings up individually in the FDLP Training Academy, hopefully soon.

from Kelly Seifert to everyone:
@Tim, if you return back to the conference portal, click on Monday Sessions and scroll to your desired session, there will be a link to join the other room
