

South NCSA

DLC, GPO, and FDLP

November 15, 2023

Introductions

- Kate Pitcher, GPO rep
- Scott Matheson, Superintendent of Documents
- Valerie Glenn, Virginia Commonwealth University, DLC rep

Some abbreviations to start...

NCSA = National Collection Service Areas

PDT = Print Distribution Titles list

NCSAs

- NCSAs group Federal depository libraries into four regions: Midwest, Northeast, South, and West.
- NCSAs:
 - Ensure geographically dispersed permanent public access to Federal Government information products.
 - Encourage resource sharing among depository libraries.
 - Receive services from LSCM.
 - Collaborate to provide services to patrons.

Purpose & Goals

- Review Minimum Requirements
- Discuss and Develop Criteria for Print Receipt
 - Create Criteria for the South NCSA ranking questionnaire
 - One set of criteria for all limited titles

Timeline

- 11/30: Ranking criteria questionnaire due
- 12/22: Print request questionnaire due
- 01/30: The Superintendent of Documents will finalize the print distribution title list.

New Print Distribution Framework

Unlimited selections	Will be distributed at current selection quantities and include the U.S. Code, Statutes at Large, U.S. Reports, Constitution of the United States (Analysis & Interpretation, including supplements), House and Senate Journals, and Bound Congressional Record Index.
20-copies	20-copy titles include Serial Set (both the bound version and related individual House and Senate Reports and Documents), Bound Congressional Record, Senate Executive Journal, and select maps.
50-copies	50-copy titles include all other titles on the PDT list.

Assumptions

- Each National Collection Service Area (NCSA) will have a steering committee and periodic meetings.
- The Federal depository libraries (FDLs) that receive a particular title may change over time.
- GPO will take responsibility, at its own expense, for relocating portions of depository collections based on need or agreement within a NCSA.
- At least one print copy of each title within a NCSA will be available for delivery to other FDLs using interlibrary loan (ILL) systems.
- Resource sharing and consortia agreements are already in place, and libraries will continue to use these.
- At least one print copy of each title within a NCSA will be included in a Preservation Steward Partnership agreement.
- GPO will provide a long-term collection management and preservation plan for each NCSA, which will include provisions for a Last Copy policy and procedures.
- Agency printing will continue to decline.
- GPO staff will always be available for assistance and consulting.

Requirements

- Follow 44 U.S.C. § 1911 requirement to retain for the first five years, but also agree not to supersede or electronically substitute during that time.
- Commit to offer nationally in FDLP eXchange once the five-year retention commitment has been met.
- Commit to catalog and make all print receipts discoverable via the library's integrated library system (ILS) to support interlibrary loan on or in-library access to the print format.

Criteria for Distribution

- Commitment to preservation of the title, e.g. preservation stewardship, conservation/preservation work, consortial print retention agreement
- Complete or extensive run of this title preserved in the collection
- Library type (public, law, etc.)
- Geographic proximity
- Inter-library loan (ILL) availability
- Demonstrated user need of this title in print
- My docs collection circulates **AND** there is limited internet connectivity in my locality (ex. no broadband, households with no internet, etc.)
- **Other**

POLL

Action Items

- Complete the questionnaire for ranking and weighing the criteria for your service area to receive print.
- Review the print distribution title list now

Timeline

- 11/30: Ranking criteria questionnaire due
- 12/22: Print request questionnaire due
- 01/30: The Superintendent of Documents will finalize the print distribution title list.

Next Steps

NCSA meetings will be scheduled in February to discuss goals and priorities for each service area:

- Improve opportunities for regional collecting and weeding flexibilities
- Localized services to depository libraries and NCSAs
- Foster collaboration among depository libraries in service areas
- Ensure adequate tangible copies for access
