Charlie she-her Amiot - 13:17
Does my role as a co-host mean I can accidentally change slides for everyone?

David Isaak - 13:18

Only the person with the red ball will advance slides for everyone.

Charlie she-her Amiot - 13:19

I don't know what that looks like so I will assume I am safe!

Ellen Jones - 13:21

I'm sorry. How do you get to Room B?

Tiffany Panzarella - 13:23

Ellen, you'll need to go back to the main portal page and look at the Monday sessions page. Mine is at <https://secure.icohere.com/login/entry.cfm?comseq=2478>

Kevin Kitahara - 13:23

click "join the session" for the other presentation

Charlie she-her Amiot - 13:24

Any conference crafters in the room? What's your current project? I'm hand-quilting some Smokey Bear quilt pieces!

Michelle Colquitt - 13:24

I'll be crocheting a shawl after I present :).

Kate Irwin-Smiler - 13:24

I'll be hand crafting some legal research grades later. Maybe I can knit tomorrow.

Angela Bonnell - 13:25

Smokey Bear quilt pieces! That's fantastic!!

Charlie she-her Amiot - 13:25

Ha, not sure that counts, Kate! Excellent Michelle, what color and fiber-type is the yarn?

Jennifer Morgan - 13:25

I'm hand crafting a CFR assignment right now. LOL

Amy Ruhe - 13:26

Love hearing about the craft projects, I should think about attempting some knitting.

Charlie she-her Amiot - 13:26

Spring DLC we should do a session, Crafty Librarians, or something similar.

Amy Ruhe - 13:26

yes, please!

Michelle Colquitt - 13:26

It's your standard acrylic, one of the Lion Brand Ombres, I think. I love a granny shawl, mindless...I think the highest I have to count to is six (and I can do that on a good day!).

Beth Downing - 13:26

Working on a sweater, then a pair of slippers.

Kaylee Kern - 13:26

I don't have my projects with me right now, but I am currently knitting a cabled toque and crocheting a shawl in my free time!

Susanne Caro - 13:27

I'd love to do something on drafting and recycling discards

Beth Callahan - 13:27

I wish I could post a picture because I just finished crafting a Leatherface doll from the Texas Chainsaw Massacre for a friend turning 50 who loves horror films!

Charlie she-her Amiot - 13:27

I have ADHD, so we do not want to hear my crafting queue! IKEA bins with in-progress pieces abound.

Sarah Hendy-Jackson - 13:27

@Kaylee, not crochet, but have you seen the Knitting the National Parks book?

Kate Irwin-Smiler - 13:27

@Beth: LOL!

Susanne Caro - 13:28

Beth- I really want to see that!

Kaylee Kern - 13:28

@Sarah, no I haven't, but that sounds fabulous!

Amy Ruhe - 13:28

Wow! that is probably beyond my skill level right now but may have to get it anyway.

Charlie she-her Amiot - 13:29

I'm going to need that book.

Kate Irwin-Smiler - 13:29

I might need that National Parks book - the sample page is from Cuyahoga, where my brother got married! <https://www.nancybatesdesigns.com/product-page/knitting-the-national-parks-book>

Amy Laub - 13:29

@Susanne & Charlie: a crafting session would be great! I'm working on a knot bag during sessions today

Ella Shurr - 13:29

I'm working on fingerless gloves for the fall! It's a small project that's easy to carry places.

Kate Irwin-Smiler - 13:30

@Ella: Fingerless gloves are my favorite project.
