OK thanks

from Jenny Groome to everyone: 4:28 PM
Love your guide Lauren

from Susanne Caro to everyone: 4:29 PM
I've used genially- I would recommend it.

from Elisabeth Garner to everyone: 4:29 PM
Agreed. Just gave me an idea to add something like a "Did you Know" category to my Gov Docs
homepage via our library.

from Brent Abercrombie to everyone: 4:31 PM
At the Indiana State Library, our library was able to get the Pro account free. Our communications
director discovered this, but worth exploring to get access to their additional features (Canva).

from Andrea Stelljes to everyone: 4:34 PM
Your website is wonderful. How much staff time is involved in maintenance and updating URLs, etc.

from Jenny Groome to everyone: 4:37 PM
How do screen readers handle animation?

from Kaylee Erdos to everyone: 4:38 PM
I love the infograms but worry about accessibility

from Jenny Groome to everyone: 4:39 PM
+1 Kaylee

from Maria Duque-Rueda to everyone: 4:40 PM
Which steps have you followed to make sure your content is web accessible

from Kelly Smith to everyone: 4:43 PM
Curious if you've checked to see how the various interactive content captures/displays in the Internet
Archive?

from Joshua Olsen to everyone: 4:47 PM
Do these interactive embeds adapt or respond to mobile/tablet devices? Or how does the mobile
experience work with these graphics.
