Currently we are working on the two documents in our internal communications group. We do not have a draft ready yet to share.

from Kelly Seifert to everyone: 4:29 PM

@Susanne, we are running long on this session, but I'd like to propose we keep rolling with the business meeting, skip the final break, and then head straight into the closing session.

This session will transition into the closing session. If you have questions and comments for Council please comment in the chat. We will record and address your input

from Elizabeth McDonald to everyone: 4:43 PM

I think the next biennial survey should include a question or two about how libraries have met the changes of Marcive closing and CRDP

from Elissa Lawrence to everyone: 4:44 PM

+1 Elizabeth

from Arlene Weible to everyone: 4:45 PM

If GPO discontinued CRDP due to budget reasons, I'm not sure they have funding available to hire a contractor to help libraries with their cataloging issues.

from Gwen Sinclair to everyone: 4:45 PM

I don't believe CRDP was discontinued for funding issues.

from Andrea Craley to everyone: 4:45 PM

+1 Elizabeth

Thanks all. It was very helpful.
