

DLC Wrap Up & Closing – Chat Log

from Josh Finnell to everyone: 4:31 PM
Thanks all!

from Brylynn Ellis to everyone: 4:31 PM
Oh, chocolate would be amazing!

from Aimee Quinn to everyone: 4:31 PM
Congratulations, Nia!

from Angie Bonnell to everyone: 4:32 PM
Congratulations, Nia!!

from Jenny Groome to everyone: 4:33 PM
okay - I'm up to 58 tabs for today's session (actually 64 but there are a few dups). Please let someone have more than me

from Charlie Amiot to everyone: 4:34 PM
Jenny, have you heard about Arc Browser?

from Charlie Amiot to everyone: 4:34 PM
I'm giving you one more link: <https://arc.net/>

from Charlie Amiot to everyone: 4:34 PM
Took me ten minutes to go through initial training, a day or two to adjust, and now I am unstoppable.

from Cassandra Wenzel to everyone: 4:34 PM
Does it help with tab management?

from Charlie Amiot to everyone: 4:35 PM
Yes. The tabs exist on the left-hand side like a menu. You can have it always show, or only when you hover.

from Charlie Amiot to everyone: 4:35 PM
And you can have sets of tabs. So I have all my work tabs in one collection. All my art stuff in another.

from Charlie Amiot to everyone: 4:35 PM
And if you don't get to a tab in a timely manner (6weeks?) it'll make it disappear which is fine bc you didn't remember it either.

from Angie Bonnell to everyone: 4:36 PM
Thanks, Charlie!! Sounds worth investigating!

from Charlie Amiot to everyone: 4:36 PM

I'm addicted to it. Not as great on the phone, so I use Arc and Chrome on there, but you can access your desktop tabs on the app.

from Cassandra Wenzel to everyone: 4:36 PM
@Charlie Does it run on Mac? I might want this just for me.

from Charlie Amiot to everyone: 4:36 PM
It originally only ran on Mac!

from Cassandra Wenzel to everyone: 4:37 PM
Yes!

from Charlie Amiot to everyone: 4:37 PM
So each space allows you to have a specific login.

from Charlie Amiot to everyone: 4:37 PM
So my work space is only my work Gmail account. My person spaces use my personal emails.

from Charlie Amiot to everyone: 4:37 PM
I can do all things with Arc and Notion.

from Cassandra Wenzel to everyone: 4:37 PM
I've been just running my tab groups in different windows in Safari. haha

from Charlie Amiot to everyone: 4:37 PM
OH! And that's the best part. If you X out your window? They always come back.

from Charlie Amiot to everyone: 4:38 PM
You literally never need more than one window open. Even does tiling natively.

from Charlie Amiot to everyone: 4:38 PM
I think a lot of people get turned off by it because it has a learning curve. It's not steep. People just don't like learning new things!

from Cassandra Wenzel to everyone: 4:38 PM
That would be a lifesaver for me. The number of times I've accidentally closed a window...

from Charlie Amiot to everyone: 4:38 PM
@cassandra, ctrl+shift+T.

from Cassandra Wenzel to everyone: 4:38 PM
Learning new things is basically the reason for living!

from Charlie Amiot to everyone: 4:38 PM
Do that in a browser.

from Cassandra Wenzel to everyone: 4:39 PM
@Charlie Thank you!

from Charlie Amiot to everyone: 4:39 PM
@Cassandra See, you get it. Gov info librarians. We just know.

from Cassandra Wenzel to everyone: 4:39 PM
Also why I wanted to be a law librarian I think.

from Charlie Amiot to everyone: 4:40 PM
I'd rather be a gov info librarian!

from Charlie Amiot to everyone: 4:40 PM
Yes, even though all of law is gov info.

from Daniel Cornwall to everyone: 4:42 PM
@Charlie - Thanks for the control-shift-t for reopening closed browser tabs!

from Charlie Amiot to everyone: 4:42 PM
@Daniel It's a super power!

from Cassandra Wenzel to everyone: 4:42 PM
@Charlie, both is good. :)

from Charlie Amiot to everyone: 4:44 PM
@Cassandra I just finished days of fixing a student's below the line edits for my journal article and I'm overly cranky about it right now.

from Cassandra Wenzel to everyone: 4:45 PM
@Charlie, I don't blame you. I'm looking at three separate statute volumes and the one I really need is three floors away, not ideal.

from Elisabeth Garner to everyone: 4:46 PM
Congratulations, Nia!

Thank you to all our presenters and hosts!!

from Lori Driver to everyone: 4:50 PM
@Jenny I never heard of that extension before. Thank you for sharing.

from Amy Fitch to everyone: 4:50 PM
@Charlie - Your succession planning is awesome! It's already helped.

from Jenny Groome to everyone: 4:50 PM
WayBack Machine extension - auto save to WayBack Machine. That's an important extension

from Leslie Carr to everyone: 4:51 PM
All the information is helpful. I learned so much.

from Charlie Amiot to everyone: 4:52 PM
I've been to some disappointing conferences. DLC/GPO conferences have never been disappointing. This is the opposite of Fyre Fest.

from Sara Winger to everyone: 4:52 PM

Now to find the time to figure all this out and implement the cool things I learned

from Daniel Cornwall to everyone: 4:52 PM

@Charlie - :-)

from Jenny Groome to everyone: 4:53 PM

Yes Sara!

from Charlie Amiot to everyone: 4:53 PM

We remember what it was like to be new, and you're not alone unless you want to be.

from Charlie Amiot to everyone: 4:54 PM

There are documentaries on Fyre Fest!

from Daniel Cornwall to everyone: 4:54 PM

https://en.wikipedia.org/wiki/Fyre_Festival

from Cassandra Wenzel to everyone: 4:54 PM

FDL conferences are always fun, even when they are virtual. :)

from Emm Coats to everyone: 4:54 PM

there are multiple documentaries about fyre fest

from Stephani Nia Rodgers to everyone: 4:54 PM

USC class of 2016, Sara

from Breiana Theodore to everyone: 4:55 PM

It's really fun to nerd out about govdocs with people who actually know what I'm talking about lol!

from Jenny Groome to everyone: 4:55 PM

YES Breiana!

from Daniel Cornwall to everyone: 4:55 PM

I love DLC for the govinfo enthusiasm.

from Brent Abercrombie to everyone: 4:55 PM

Yes! Andrea, please email me!

from Charlie Amiot to everyone: 4:55 PM

@Breiana At this point, my wife hunts for gov info in the wild and makes dad jokes about it.

from Lula Westbrook to everyone: 4:55 PM

You guys get some well deserved rest. This has been fabulous. My first, definitely as they say won't be the last. Is it too late to get handouts or review presentations or watch again

from Kelly Seifert to everyone: 4:56 PM

@Lulu - all of the recordings, slides, and handouts will be available next week. All registrants will receive an email with the info.

from Breiana Theodore to everyone: 4:57 PM

@Charlie LOL that's so amazing! Your wife, honorary govdocs librarian!

from Jenny Groome to everyone: 4:57 PM

When I started as support staff in Fed docs (1986) my mom said I was working in democracy in action. That stays with me - and hopefully you all too

from Rich Gause to everyone: 4:57 PM

My first FDL conference was Spring 1998 with exactly 1 day on the job. Everyone was SO WELCOMING to the GovDocs community and these conferences are still hugely important to refreshing me. I continue to learn so much each time.

from Charlie Amiot to everyone: 4:57 PM

@Breiana I wish. She treats me like her personal reference bureau!

from Amanda Carter to everyone: 4:57 PM

from someone who is not FDLP (state gov special librarian here) but attends to keep up with the government documents access, libguides, etc., I'd like to say a huge THANK YOU to everyone who puts this together. I've been attending since I was a legal research librarian and find it so helpful to keep my finger on the pulse of government documents. Y'all rock!

from Charlie Amiot to everyone: 4:57 PM

@Jenny yes. We are front-line workers.

from Cassandra Wenzel to everyone: 4:58 PM

@Charlie, I think the personal reference person comes with the territory. I know my family asks me to do reference work for them.

from Daniel Cornwall to everyone: 4:58 PM

I started in fed docs in 1993 as a docs assistant and got to be a member of the San Antonio Documents Interest Group. I've been hooked on govdocs ever since, even when I've worked other kinds of positions.

from JoAnna McCulley to everyone: 4:58 PM

100% agree

from Jacqui Celecia to everyone: 4:58 PM

So true Jenny

from Kelly Seifert to everyone: 5:00 PM

from Troy Black to everyone: 5:00 PM
Proud to be a Documents Coordinator. My 45th year

from Lula Westbrook to everyone: 5:00 PM
Thanks give me the site

from Daniel Cornwall to everyone: 5:00 PM
I've posted the US Reports poster on my cubicle to help educate other staff. Thanks!

from Jenny Groome to everyone: 5:00 PM

from Cassandra Wenzel to everyone: 5:00 PM
Someday I dream of being the coordinator for my institution. :)

from Breiana Theodore to everyone: 5:01 PM
@Charlie, I feel you. I must say, I enjoy the air of mystery that others seem to assign those of us working in gov info.

from Beth Harper to everyone: 5:06 PM
Thanks to everyone on Council, and GPO staff!
