from Charlie Amiot to everyone: 3:28 PM
Asking for a friend who is definitely not me, but if someone wanted to attend an NCSA meeting, where would they find the dates and links?

from Jenny Groome to everyone: 3:28 PM
+1 Charlie

from Jonathan Underwood to everyone: 3:29 PM
Which region does your "friend" wish to attend?

from Charlie Amiot to everyone: 3:29 PM
All of them...

from Brent Abercrombie to everyone: 3:31 PM
Here's the link to register for the Midwest's public meeting on Tuesday March 10, Registration link:

from Daniel Cornwall to everyone: 3:31 PM
I like enshrining "Free" in section 1900.

from Cassandra Wenzel to everyone: 3:31 PM
@Daniel, I agree,

from Jenny Groome to everyone: 3:32 PM
+1 Daniel

from Jenny Groome to everyone: 3:32 PM
Patron privacy - see!

from Jenny Groome to everyone: 3:32 PM
opps Patron Privacy - Yes

from Daniel Cornwall to everyone: 3:32 PM
I support the ALA suggestions - ESPECIALLY section f about removal of pub info.

from Cassandra Wenzel to everyone: 3:33 PM
@Daniel, I agree, particularly with section (f).

from Andie Craley to everyone: 3:33 PM
Charlie, this was on a slide in the PreMeeting updates - some have past: NCSA Steering Committees
Midwest - March 10, 2026
Northeast - April 21, 2026
South - TBD
West - November 17, 2025 and February 23, 2026

from Andie Craley to everyone: 3:33 PM
Those were when the NCSA's are meeting with Regionals

from Jenny Groome to everyone: 3:34 PM
GODORT members - how much input did GODORT have to ALA's suggestions? Just curious

from Andie Craley to everyone: 3:34 PM
The Northesast meets on the 3rd Tuesday of each month, at 11:30 AM EST.

Legislative proposals webpage: <https://www.fdlp.gov/project-list/legislative-revisions-title-44-usc-chapter-19-depository-library-program>

from Marie Concannon to everyone: 3:35 PM

This suggestion from ALA appears to be addressing user privacy, rather than being about PII of SSNs in documents. With regard to user privacy, I will say that my university's IT division cannot allow a truly anonymous user to access our library's public computer stations. We do have to ask for photo ID. However, the library does not collect info about these users or track what they look at. Presumably, if they make bomb threats using these public access computers, all of that can be tracked after the fact. All of this is a comment in response to the suggestion for "user privacy."

GPO Responses to Council's Fall 2025 Recommendations (March 2, 2026):
https://www.fdlp.gov/sites/default/files/file_repo/dlc-response-to-the-december22025transmittal.pdf

from Cassandra Wenzel to everyone: 3:36 PM

@Marie, this is a good point. Multiple needs do have to be balanced, i.e. safety with privacy.

from Cassandra Wenzel to everyone: 3:36 PM

@Marie, and sometimes these are outside of library control.

from Jenny Groome to everyone: 3:37 PM

I would be especially concerned about government agencies mining user data.

from Marie Concannon to everyone: 3:37 PM

I do understand, and genuinely appreciate the need for people to be able to ask honest questions about government without thinking that their questions will be forever connected to their "dossier." I still remember the documentary "Terms and Conditions May Apply."

from Mark Hamilton to everyone: 3:37 PM

+1 Jenny

from Cassandra Wenzel to everyone: 3:38 PM

@Marie, absolutely!

from Daniel Cornwall to everyone: 3:38 PM

We need a general Federal Data Privacy Law. Would help across so many domains.

from stephani rodgers to everyone: 3:38 PM

Charlie, folks might have to email the NCSA chairs to get invites to the meetings

from Brent Abercrombie to everyone: 3:38 PM

Yes, great job council!

from Jenny Groome to everyone: 3:38 PM
+1 Daniel

Thank you for the great presentations and the smooth-running conference!

from Jessica Robinson to everyone: 3:42 PM
Fantastic sessions!

from Jenny Groome to everyone: 3:42 PM

In person - more affordable when spring conference is not in DC. It was less expensive for me to fly to the Reno conference and stay a few extra days than to drive from CT to DC 0 all because of hotel prices

from Ellen Wrede to everyone: 3:42 PM

It really comes through in the execution of the conference how great both GPO and DLC folks are! thank you all so much for putting this together!

from Jose Torres to everyone: 3:43 PM

from Andrea Stelljes to everyone: 3:46 PM

Thank you for your leadership, Angie!

from Daniel Cornwall to everyone: 3:47 PM

from Jenny Groome to everyone: 3:50 PM

+1 Daniel - I agree

from Jenny Groome to everyone: 3:50 PM

GPO facebook has been quite active lately

from John Olson to everyone: 3:50 PM

This will be my last FDLP meeting as I will be retiring at the end of March. Being a documents librarian has been a "plum" job, and I will miss showing patrons the gold mine of information that government documents contain. So, if one of you is interested in working for an R1 research library (Syr Univ – depository since 1878) look for a job announcement this summer.

from Daniel Cornwall to everyone: 3:50 PM

Congratulations John!

from Virginia Pierce to everyone: 3:51 PM

Great job. I got a great deal out of this meeting.

from Kelly Smith to everyone: 3:51 PM
